Two Famous Families Are Linked In New Romance

NEW YORK UPI — The Lynda Bird Johnson-George Hamilton idyll was eclipsed Thursday night by a new romance involving the Eisenhower and Nixon families.

David Eisenhower, the tall, 18-year-old grandson of former President Dwight D. Eisenhower turned up as the escort of Julie Nixon, 17, younger daughter of former Vice-president Richard M. Nixon at her society debut at the Waldorf-Astoria Hotel. Taking a cue from Lynda and George, David Eisenhower was noncommittal.

"Just say we're friends," said the teen carbon copy of his famous grandfather. "We've known each other for many years." Julie, a pretty brunette, refused comment except to say that David was her choice as escort on the most important night of her young life.

The kid friendship that began in Washington a decade ago appeared to the 1,200 guests attending the 12th annual international debutante ball to have grown into something warmer. The young couple's radiant affection gave a special glow to the event which climaxed America's \$20 million holiday debut season.

Nixon, resplendent in white tie and tails, and Mrs. Nixon, in royal blue cut velvet, beamed approval from the center box of the Waldorf's grand ballroom as Julie, a freshman at Smith College, curtsied low on David's possessive arm. Their old friend and veteran matchmaker Perle Mesta stood beside them and applauded enthusiastically.

Julie shared honors with 66 other debutantes representing 11 foreign countries and 18 states. She, representing the United States, was the first to be presented and led the dancing with David following the formalities of the evening. She wore an empire style white gown and wore her hair long, styles uniform for most of the other girls.

New York society leader, Mrs. H. Donald Sills, chairman of the ball's executive committee, said she was as surprised as anyone about the Eisenhower-Nixon combo.

"Mrs. Nixon simply informed us that David Eisenhower would be her daughter's escort," she said. "Maybe we wrote a footnote to White House history here tonight. It's a matter of wait and see."

Rules Modified By Commission

INDIANAPOLIS UPI — The Indiana War Memorial Commission has modified its rules which may pave the way for the Indiana Civil Liberties Union to meet there.

The commission, following a public hearing, voted 6-2 in favor of proposed amendments. One provides that persons applying for use of the memorial auditorium sign affidavits stating their groups have not been identified as Communist-infiltrated by the federal government.

Dr. Robert G. Risk, ICLU chairman, said he believes his group may be able to live with the altered rules, but the decision rested with the union's legal panel and board of directors.

The ICLU has been banned from meeting in the memorial in a feud of long standing. At one time, former Gov. Matthew Welsh removed some commissioners and replaced them with more liberal members, but veterans' organizations, in particular, remained opposed to opening the auditorium to the ICLU.

Bank Employee Facing Charge

INDIANAPOLIS UPI — Lois Mobley, 32, Salem, a 15-year employee of the Salem State Bank, was arrested in connection with a \$3,070 shortage of funds from the bank.

James T. Naegle, agent in charge of the FBI office here, said Miss Mobley, who resigned last week, was arrested at her home.

Federal officials alleged Miss Mobley juggled bank records since October. They said the shortage was discovered a month ago but no charges were filed until Wednesday pending a thorough investigation.

Miss Mobley appeared before U.S. Commissioner John Cody Jr. in New Albany and was released on her own recognizance.

Price Increases Hit Government

WASHINGTON UPI — The government, like the housewife, was hit hard by higher prices for some foods.

The Agriculture Department reported today that higher food costs in the first three months of this fiscal year forced a \$24.5 million cutback, primarily in its purchases of beef, cheese and butter.

The cuts were felt in programs of food donations to needy families, charitable institutions, non profit summer camps for children and school lunchrooms.

Reductions were made, the department said, while the overall number of beneficiaries of the donations rose 300,000 during the July-September period to an estimated 27.3 million persons.

The department said improved economic conditions produced a cut of about 800,000 in the members of needy families drawing federal farm donations. But this was more than offset by an increase of more than a million in the number of children eating in lunch rooms and non-profit summer camps.

Conflict Flares In Middle East

JERUSALEM, Jordan UPI — Long-smouldering discord between Arab League nations threatened to flare into open Middle East conflict today in the wake of the alleged murder of a Jordanian border guard by Syrian troops.

The Jordanian government charged Thursday that Syrian soldiers had crossed into Jordan and fatally machine-gunned Jordanian security guard Sgt. Faisal Murad on his front doorstep.

An official Jordanian announcement said Murad, assigned to border duty, "was at the time with his family and children at his house."

It was reported later Thursday that a series of small explosions were set off Tuesday in the Jordanian capital city of Amman. One blast was in front of the Soviet Embassy.

Travelers in Amman at the time reported one explosion shattered windows at the Goethe cultural center. Other blasts went off near the offices of Premier Wasfi Tell and his information minister, they said. At the same time, Amman Radio reported that Egyptian authorities in Cairo had discovered explosives under the desk of the director of the "Voice of the Arabs" radio, used by the Palestine Liberation Organization (PLO) to broadcast to Palestinian refugees in Jordan.

Arctic cold followed a massive snowstorm across the country today, heaping misery on suffering from the Rocky Mountains across the Great Plains and Midwest into the East.

Temperatures across a snow-covered area stretching from the southwest to the eastern Great Lakes dropped this morning below zero in the northern tier of states and well below freezing elsewhere.

The storm which dropped as much as 13 inches of snow on the midlands, left up to 12 inches of snow on the ground in northern New Hampshire Thursday, six inches over much of the rest of New England and more than 43 inches on the ground at Marquette, Mich.

The mountain-bred storm which moves from the Rockies across the country in a northeasterly direction, moved today into Canada, leaving snow flurries to ice the snow frosting.

Another weather system that promised more of the same gathered strength today in the West. One to three inches of snow fell in six hours ending today across portions of Idaho, Utah and western Montana.

Thursday, a storm center moved up the eastern seaboard and collided with the incoming western monster. Heavy rains lashed Dixie and the New York and New England coast, turning thick snow blankets into mounds of slush, touching off floods and power failures.

Princess To IU

BLOOMINGTON, UPI — Indiana University will be host to royalty Feb. 1-2 when Greek Princess Irene visits the IU School of Music.

The 24-year-old princess, who is second in the line of succession to the Greek throne, is on a six-week tour of the United States, observing the cultural life of America.

Jobless Claims Up

INDIANAPOLIS UPI — Unemployment insurance claims last week rose to 21,261 in Indiana, an increase of nearly 19 per cent over the week before, Director Lewis F. Nicolini of the Indiana Employment Security Division reported today.

The increase resulted mainly from a two-week inventory lay-off of about 1,800 workers in Evansville area, Nicolini said.

LBJ Confers With Shriver

AUSTIN, Tex. UPI — President Johnson is moving to stave charges that he is cutting back too hard on his war on poverty because of mounting financial demands of the war in Vietnam.

He also appeared anxious to counter speculation that he was on the outs with the poverty program's director, Sargent Shriver Thursday for what the Texas White House described as a review of the poverty program's activities in the last year and legislative plans for it in 1967.

Jets In Final Attack Of Year

SAIGON UPI — U.S. jets today staged their final attack of the year on North Vietnam and dropped bombs sardonically labeled "Happy new year, Uncle Ho."

The bombing raid came only hours before the start of another Vietnam war truce which possibly may be the last.

The planes were launched from bases in South Vietnam and Thailand and from Navy carriers in the Gulf of Tonkin. Flight crews stencil-painted several of the 500-pound bombs with the cryptic year-end message to North Vietnam President Ho Chi Minh.

The 48-hour New Year's truce — second cease-fire in a week — was scheduled to begin at 6 p.m. EST today and end at the same hour Sunday night. South Vietnamese Nguyen Cao Ky said that if Communists again violated the truce agreement, the cease-fire could be the last.

Meanwhile, in the Saigon capital, negotiators were reported to have reached agreement toward settlement of a week-long dockworker's strike which greatly reduced the flow of military supplies into Vietnam.

Ex-State Trooper Shot In Florida

CLEARWATER, Fla. UPI — Former Indiana state trooper Fred McClain, 47, was shot and fatally wounded in front of the Tarpon Springs, Fla., post office Wednesday.

Police said William F. Jones, 49, was being held in connection with the shooting.

McClain died Wednesday night, a few hours after the shooting, which police said was apparently the result of a domestic situation. Police said McClain had said he planned to marry Jones' wife after a forthcoming divorce.

McClain was an Indiana state trooper from 1942 to 1950. Services were set for Saturday at Shelbyville.

Hoosiers Killed

WASHINGTON UPI — Two Hoosiers were among 26 U.S. servicemen listed Thursday by the Defense Department as killed in action in Vietnam.

They were: Army Pfc. Harley E. Sherman, son of Mr. and Mrs. William E. Sherman, R.R. 4, Bloomfield, Ind.

Army Pfc. Jerry E. Schmeltz, son of Mr. and Mrs. Louis E. Schmeltz, R.R. 1, Walkerton, Ind.

New Officials To Take Putnam County Posts

Several new faces will be included in Putnam County's official family with the advent of the new year, 1967.

The new officers are Ennis Masten, clerk; Bob Albright, sheriff; Virginia Mullis, recorder; Waldo Shoemaker, commissioner; Albert Solomon, assessor; Norman Knights, Louie Hirt, Jesse Williams, Fred Thompson, Charles Gilley, Paul Frederick and Edwin Brown, county councilmen.

Holdovers are James Houck, prosecutor, and Alan Stanley, auditor; Roland Lane, treasurer; Claude Malayer and Richard Huffman, commissioners.

Another new face on the township level will be Frank McKeenan, Greencastle Township Assessor.

Sam Conner is the retiring county clerk; Kenneth Knauer, retiring sheriff; Carrie Miller, retiring recorder; Victor Hurst, retiring commissioner; Frank Sutherland, retiring assessor, and William A. Patterson, retiring township assessor.

The officials will be sworn into office on Monday morning, January 2, at 8:30 o'clock by Auditor Cooper in the absence of Judge Francis N. Hamilton.

The county council members have already been sworn in by Judge Hamilton, as have been Mrs. Mullis and Mr. Houck, by Clerk Conner.

Due to the fact that New Year's Day comes on Sunday and Monday is also a holiday, Bob Albright, sheriff-elect; Arthur Carnes, his first deputy, and Wayne R. Miller, second deputy, were administered the oath of office Thursday afternoon by Clerk Conner.

Clear Walks, Steps For The Mail Man

Greencastle residents are responsible for keeping their sidewalks and steps cleared of snow, Postmaster Clair Albin pointed out today. Mail carriers are not required to deliver mail if pathways to mail boxes are clogged with snow.

Albin also stated that the local post office will be closed Monday, January 2. There will be no city or rural deliveries. Collections and dispatches will be made on a holiday schedule.

Pentagon Is Dismayed By Criticism Over Air Strikes

U. S. Court Endorses Federal Desegregation

Cinderella Girl Mother Of Son

NEW YORK UPI — Singer Barbra Streisand, the Cinderella girl from Brooklyn who starred in "Funny Girl," gave birth Thursday to a 7-pound, 12-ounce son.

She and her husband Elliott Gould, an actor, named the child Jason Emanuel. Mother and son were reported doing fine.

Miss Streisand portrayed Fanny Brice in the Broadway and London productions of "Funny Girl." When she discovered she was pregnant she cancelled a 20-city, \$1 million American concert tour. Because of this, the expected baby was called the "million dollar baby."

Miss Streisand is scheduled to begin rehearsals next spring for the movie version of "Funny Girl."

Teacher Killed

WASHINGTON UPI — Diane K. Nitahara, 24, a math teacher in the Peace Corps, has been killed in a car accident in Nigeria, the corps reported Thursday.

A 1965 graduate of the University of Colorado, Miss Nitahara was killed when her small car overturned near Nang Tuesday while she was vacationing. Her body will be returned to Okinawa, the home of her parents, Mr. and Mrs. Tsutoma Nitahara, the corps said.

New Trustee

INDIANAPOLIS UPI — Carl M. Gray, a former president of the Indiana Bar Association, Thursday was named by Gov. Branigan to become an Indiana University trustee.

Gray, who is a Petersburg attorney, succeeds Monroe Superior Court Judge Donald Rogers, Bloomington, who resigned.

ATLANTA UPI — The spectre of Appomattox apparently hovered today over the South's long and bitter legal battle with the federal government over public schools desegregation.

A decisive turn in the maneuvering came Thursday in New Orleans when the U.S. 5th Circuit Court of Appeals, in effect, endorsed the controversial federal desegregation guidelines.

"The clock has ticked to the last 'tick' for tokenism and delay in the name of deliberate speed," the court said, in ordering top-to-bottom integration of classrooms and teachers in parts of Alabama and Louisiana by the 1967-68 school year.

The guidelines, issued by the U.S. Department of Health, Education and Welfare HEW and setting acceptable desegregation standards for federal school aid, have been attacked by the South as unconstitutional. The decision is expected to have a direct influence on a combined suit challenging the guidelines in U.S. District Court in Montgomery, Ala., Feb. 3.

"We hold HEW's standards are substantially the same as this court's standards," the circuit court ruled. "They are required by Constitution and, as we construe them, are within the scope of the Civil Rights Act of 1964."

The court said that schools must desegregate regardless of whether they accept federal funds. It directed the desegregation of all facilities in the school systems of Caddo, Bossier, Jackson and Claiborne parishes in Louisiana and Jefferson counties and the cities of Fairfield and Bessemer in Alabama by next fall.

Rev. Jameson Jones, pastor of Goin Church, reminded Kiwanis Thursday noon that the Christmas aftermath period should be devoted to re-evaluating what their lives really mean.

Caught up in a whirlwind of materialism, man must come to grips with what he is and what direction his life is taking.

Otherwise, the Christmas message has no genuine meaning for him, Rev. Jones said.

Rev. Jones was introduced by club president Arthur Shumaker.

As the Memorial Student is closed for the holiday season, the Kiwanis held their weekly luncheon in the basement of the First Christian Church.

WASHINGTON UPI — Pentagon leaders are dismayed by mounting criticism of civilian casualties in Vietnam air strikes. They regard present bombing techniques as the most accurate ever used and full of precautions to avoid such deaths.

Defense officials also expressed surprise in talks with UPI that the criticism came in the face of calls by their powerful congressional backers to damn world opinion and expand the bombing—a view not shared by all congressmen.

Officials said that in no previous conflict in which bombs were used has the selection of targets and the tactics used been as restrictive as they have been in the raids against North Vietnam.

In addition, they said, the development of secret electronic aids used in the strikes has made the bombing in Vietnam much more accurate than it was in other wars.

Officials conceded that despite precautions, civilian casualties do occur. But they said that raids are not scheduled when such casualties can be foreseen.

There was no immediate comment from within the Pentagon on congressional calls for expanding bombing issued by members including Chairman L. Mendel Rivers, D-S.C., of the House Armed Services Committee.

Rivers said he thought the United States should say "to hell with world opinion" and expand the bombing to the point that Hanoi is "levelled" and the port city of Haiphong put out of commission.

The call for bombing expansion was echoed by Rivers' Senate counterpart, Sen. Richard Russell, D-Ga., and by Sen. George Smathers, D-Fla.

Smathers said he thought the United States should use "everything short of dropping an atomic bomb" to win the Vietnam war.

First Deputy Will Donate Part Of Salary To Needy Of Putnam County

Arthur Carnes, who will be Sheriff-elect Bob Albright's first deputy with the arrival of the new year, visited The Daily Banner Office Thursday afternoon.

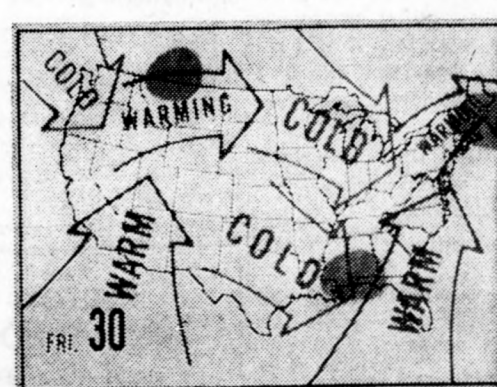

Mr. Carnes said that during his first year as deputy he will give \$50 a month of his salary to help needy people in Putnam County.

The second year, he stated, he will give \$100 a month of his salary to assist the needy.

This latter amount will be given each month each year thereafter as long as he is deputy sheriff.

The Banner learned that Mr. Carnes did the same thing while he was connected with the Indiana State Prison in Michigan City. In fact, he was most instrumental in getting The Teen Club started in that city, which has become a most popular and worthwhile organization.

High Income

WASHINGTON UPI —The Geological Survey expects the total of royalties from mineral and fuel production in 1966 to exceed \$238 million, a new high. These collections, ultimately credited to the states, American Indians, the Reclamation Fund and the U.S. Treasury, come from private operations producing oil, gas, coal, potash, phosphate, sodium and other minerals.

The previous record was \$210 million last year.

Card of Thanks

I take this opportunity to thank everyone that sent cards for my birthday Dec. 23rd. I received 135 beautiful cards. I can't express how much they meant to me.

Entertaining Guidelines Entertainingly Written

By ROBERTA ROESCH

In this season of festivities, one of our most enjoyable nights was spent with a book we received for Christmas called "All About Entertaining" (McKay).

The book, which boasts the subtitle "Everything You Need to Know to Have a Fabulous Social Life," was written by two sisters, Kay Corinth and Mary Sargent.

Gotham Resident Kay, who lives in New York, has a full-time job as merchandising director of a national teenage magazine. Mary, who lives in New Jersey, has an active life in civic affairs. "Actually, I believe everybody wants to write some kind of book," Kay told me, when I asked her why she and her sister decided to write "All About Entertaining," although they already had such busy schedules.

"My sister and I were no exceptions," she added. "We felt a book on how to entertain imaginatively would be a timely one."

Once Kay and Mary made the decision to get to work on the book, they started planning it together and outlining each separate chapter. They worked on different chapters separately until it was time to edit the book together.

Data Filled Chapters

When the book was finished, the sisters had created over 400 pages of information that can be an addition to any hostess' bookshelf. From the first page to the last, they managed to fill their chapters with such helpful tips as: finding your hostess personality; organizing parties painlessly; carrying off your entertaining successfully; being a popular guest; dressing correctly for your social life; and setting your table imaginatively.

"Both my sister and I have always believed in imaginative table-settings," Kay said, "and I have found in traveling around the country that this is very much the trend today."

"Everything seems to be on the silver standard, too," Kay said. "In traveling for my job, I often find that you can't go to a party this year without

SHEINWOLD ON BRIDGE

Web-Footed Friend
Boots Bridge Hand

By Alfred Sheinwold

Continuing our celebration of Bonehead Bridge Week, we introduce an animal that inhabits the bridge menagerie — the Pointless Duck. Our web-footed friend made its appearance last November during the Team Selection Tournament in Pittsburgh.

Opening lead — ♦ K

South won the first trick with the ace of diamonds and innocently played the ten of clubs from his hand. West's decision to play low was the Pointless Duck.

South surely had a strong six-card suit for his bid, which meant that East could have no trumps at all. By ducking the first club, West allowed South to get out of trouble for a mere 100 points (South's honors were not counted in tournament bridge).

The rest of the defense was equally inelegant. South led a heart, and East took both top hearts and led another heart for West to ruff. West cashed his high diamond and led another high diamond to make South ruff.

CAREFUL PLAY

South now carefully led his spade to dummy's ace before tackling trumps. He took the ace of clubs and led the queen to West's king. West had to return a diamond, and South

ruffed and drew the last trump. Now he could take his good heart to wind up with eight tricks.

West should take the second trick with the king of clubs and lead diamonds. South ruffs the third diamond and leads a heart to the king. East leads a low spade to dummy's ace, wins the heart continuation and leads the queen of spades through South.

West must get two more trump tricks, and South is down two instead of one. Dropping a defensive trick isn't the end of the world, but a player who makes a habit of throwing away 200 points must be either very rich or very friendly.

DAILY QUESTION

As dealer, you hold: S-Q J 6 4 3 2; H-A K 7 5 2; D-9 3; C-None. What do you say?

Answer: Bid one spade. You may be a point or two short for a normal opening bid, but it pays to stretch a point or so when you have eleven cards in the major suits.

Wall Street Chatter

NEW YORK UPI—Colby & Co. says an attempt at penetrating the \$20 level of the Dow Jones industrial average seems likely but not without a struggle.

The company says the stock market now is marking time in a consolidation period that should have a favorable impact on the market trend sometime during 1967. It says the most vague aspect of the basic undertone evolves from the uncertainty concerning first quarter results.

Standard & Poor's says an anticipated slowdown in the economy is underway but the market has gone a long way in discounting it. It therefore expects more sporadic rallies but the underlying pattern will probably encompass a further period of consolidation.

Christmas is over and the New Year is approaching. The New Year is the time that 4-H livestock cards are due. You are probably getting tired of reading about the livestock enrollment, but if these are not completed during the first of January, the 4-H'er will not be allowed to show at the State Fair. These enrollment cards are for beef, sow and litter, sheep flock and dairy. For new members, these cards can be obtained at the County Extension Office or from the local 4-H leader. These must be turned into the Extension Office by the first part of January.

One of the main purposes of 4-H is to help the members to develop leadership ability. This is a quality that is hard to judge or evaluate, but I was very pleased to see some of our 4-H members in action last Tuesday. There was a committee that was to decorate the 4-H Building for the Jr. Leader dance. I had to leave to go out of town, before they started decorating. When I got back, they had done an excellent job of decorating and cleaning the building. It was not an easy job. The band committee and refreshment committee did a good job carrying out their duties on their own. It makes you feel proud that we have youth in our community that have the initiative to think and operate for themselves in an orderly manner. The decoration committee was composed of Donna South, Marie McKee, Tonya Harris, Linda New, Doris Sutherland, Carolyn Hurst and Steve Albin. Pat Samsel, Carolyn Torr and Robert New acquired the band and Becky McFarland, Ruthie Miller, Linda New, David Carrington, Melvin Grimes and Danny Cottingham furnished the refreshments. Robert New and John New brought the Christmas tree.

The Jr. Leader dance was a success even though the weather was against us. This was a very good group to accompany. Our thanks are to Mr. and Mrs. Wilmer Albin, Jr., for chaperoning the dance.

The Purdue Ag. Alumni annual fish fry will be held Friday, January 20 at the Purdue Armory and Loeb Playhouse. The program will include Dean Earl Butz, Purdue All-American Band, Purdue Glee Club and Michigan State football coach, Duffy Daugherty. This should be quite a program. Tickets can be obtained at the County Extension Office before January 13.

The Putnam County Ag. Alumni January 3 meeting has been postponed until February 2. Notices will be sent out at a later date.

Cubs Whip W. Lafayette; Will Meet Carmel Tonight

7 p.m.—West Lafayette vs. Seymour (Consolation)
8:15—Greencastle vs. Carmel (Championship)

Greencastle (9-1)				Carmel (8-2)			
Ht.	Gr.	Ht.	Gr.	Ht.	Gr.	Ht.	Gr.
Mike Harmless	6'1"	12		Ken Stowell	6'1"	12	
Dewayne Norris	6'1"	11		Bob Bowen	6'2"	12	
Terry Ross	6'3"	11		Norm Bristley	6'2"	11	
Mike Troyer	6'0"	12		John Ringer	5'11"	11	
Ray Churchill	5'9"	12		Bill Shepherd	5'10"	11	

What happens when a Tiger Cub meets a Greyhound? That question will be answered tonight when the Greencastle Tiger Cubs meet the Carmel Greyhounds in the championship game of the Carmel Holiday tourney, Greencastle advanced to the final game with a convincing 79-64 win over West Lafayette while Carmel won a thrilling double overtime triumph over the Seymour Owls, 103-97.

Tonight's final should be a dandy. No clear cut favorite has emerged. The Cubs are now 9-1, and Carmel is 8-2. Both clubs are not big but possess excellent jumpers and each claim one of the finest guards in the state. Mike Troyer entered the tourney with a 32.4 per game average and Carmel's Bill Shepherd sported a 28.1 average.

In last night's contests, Troyer tallied 27 (and evidently no ill effect from his recent accident) while Shepherd topped him with 46. So tonight, two of the outstanding shooters in the state will meet, and if there is any edge, it belongs to the Tiger Cubs defense, which carried them to victory over a very fine Red Devil team from West Lafayette.

The Tiger Cubs jumped into an early eight to six edge at the 4:28 point of the first quarter and with Troyer pumping in 10 points and Pete Norris six, extended their spread to 10 at the end of the quarter 24-14. The talented team from the north hadn't given up yet. In the second quarter, they collected themselves and solved the sticky Cubs' zone press and sliced the Cubs' lead to three at halftime, 39-36. After playing errorless ball the first quarter, the Cubs helped their opponents by making seven the second period.

But the third quarter was all Cubs'. After a foul shot narrowed the gap to only two points, two baskets by Terry Ross and one by Troyer gave the Cubs an eight point bulge and at the two minute mark, Greencastle outscored their rivals 17 to 4 for a 15 point advantage.

The front line of Pete Norris, Mike Harmless, Terry Ross, John New, and Dave Dunn out rebounded the taller Red Devils 47 to 25 by unofficial count. Troyer tallied ten field goals and 7 free tosses for a game high of 27 points. Pete Norris was the other Cub in double figures with 14. Two big men that are fine outside shooters led the West Lafayette attack. Kit Kildahl, 6'4" senior and Dave Johnson, 6'3" junior each scored 22.

Carmel Wins in Overtime
Two foul shots by Norman Bristley with 16 seconds re-

maining on the clock in the second overtime earned the Carmel Greyhounds the right to meet the Tiger Cubs tonight.

In the thrilling spectacle that had the fans on the edge of their seats from 49 seconds left in the third quarter until the final 16 seconds of the second overtime period, the game was tied 13 times and the lead changed hands nine times.

Junior Bill Shepherd of Carmel is exactly what his press releases say. In directing the Greyhounds to victory, he also managed to rack up 45 points, and his running mate, junior John Ringer had a good night also with 22 points. Andy Denny, 6'3" forward of Seymour, who, as a junior, is already billed as Big Ten material, kept the Owls in the game with 34 points even though in foul trouble the entire last half.

Seymour jumped out in front early, but was caught at nine all, then the Owls forged in front again and increased their lead to seven points at the first quarter break and it was their longest lead of the evening.

The Owls continued to lead until 4:55 of the second quarter when Bill Shepherd connected on five straight points to give Carmel a one point edge. Then the game was even the rest of the way and was tied at half 45 all.

Seymour rushed to a five point edge starting the third quarter, but couldn't hold the advantage and were caught at 55 all. At the third quarter stop, the game was tied again at 67 all.

Carmel racked up 10 straight points before the Owls could score beginning the final stanza, the Owls rallied and tied the contest with only 49 seconds remaining in regulation play at 85 all. Regulation play ended at 87-87.

The first overtime ended at 93-93 and Carmel outscored the visitors in the second overtime 10 to 4 for the victory.

Koufax Signs NBC Contract

LOS ANGELES UPI—Sandy Koufax has a \$1 million present today on his 31st birthday to take away some of the sting from his retirement as baseball's leading pitcher of the modern era because of an arthritic elbow.

Less than six weeks after he gave up an estimated \$125,000 a year to pitch for the Los Angeles Dodgers, Koufax signed the \$1 million contract for a 10-year term with National Broadcasting Company.

Announcement that the network had signed Koufax was made in New York by Carl Lindemann, Jr., NBC vice president for sports. NBC did not specifically reveal the terms but from sources close to the negotiations it was learned the famed lefthander would receive \$100,000 annually for ten years. "Sandy's contract with NBC will give him the widest latitude — that of performing on the air, developing new talent for us, initiating new programs of his own creation, developing special projects for the company or any of its divisions," Lindemann said.

Pointers Walk Over Zionsville, 94-65

By Frank Puckett, Jr.

Bainbridge traveled home last night with the Zionsville Holiday Tournament Championship under their belt after they outclassed the Zionsville host 94-65.

It was the second victory in two nights for the Pointers. They clobbered Granville Wells forty-three points in the first game, 87-44, then easily rolled over host Zionsville in the final.

The mis-match looked as though it might prove interesting as the early minutes ticked off the official clock. Both teams went into zone defenses and fired up Zionsville took a slight command at the 5:40 mark, 7-5. Bainbridge's Gary Martin unloaded a fifteen footer, but the Eagles 5-10 playmaker Bill Pock dumped one in on the return trip down the floor. At the 2:46 mark big 6-5 Bainbridge center Larry Steele dropped in a bucket that placed the Pointers in command for the first time, 14-13. Zionsville came back with another

effort from Pock, but the Putnam County crew warmed the nets with the rest of the scoring in the quarter and ended the first stanza holding the margin 19-15.

Zionsville never got near the Pointers from there on out as Bainbridge peppered in twenty-seven points the second period, twenty-two the third and twenty-six points the fourth.

Shooting honors went to Bainbridge as the Pointers capitalized on 40 of 82 tries from the field and 14 of 20 from the line. Zionsville connected on 27 of 85 attempts from out while their free throw shooting was a little better with 11 hits in 15 tries.

Larry Steele led the individual scoring tabulations by donating 32 to the victory cause while teammates Gary Martin, Ron Rossok and Jim Hanks popped in 24, 14, and 10 points respectively. Zionsville was led by Ross with 23 points while Bower totaled 11.

Some Differences May Be Settled

LONDON UPI — British officials today foresaw the impending visit of Soviet Premier Alex. Kosygin as an attempt to settle some of the major points of difference between Russia and the West, principally the Vietnam war.

Kosygin will visit Britain from Feb. 6 to 13 at the invitation of Prime Minister Harold Wilson, it was announced Wednesday.

The agenda for the visit calls for wide-ranging talks on a variety of topics, including some of only bilateral interest.

But the war in Vietnam was expected to occupy the major role in the discussions.

Wilson was considered certain to raise the whole Vietnam issue with Kosygin and to press the Soviet leader to cooperate in new efforts to bring North Vietnam to the conference table.

The British government has made it clear that despite its failure in the past to win Soviet support for Vietnam peace moves, Britain is determined to continue the effort as long as necessary.

Suspect Held As Car Sniper

LOS ANGELES UPI—Sheriff's deputies said this morning they have arrested a man believed to be the car-driving sniper who wounded three persons Wednesday night.

Peter Nicholas Thoma, 26, was discovered cowering in the attic of his home by deputies investigating a blue 1955 sedan parked in his driveway. The vehicle fit the description of the car driven by the sniper.

Deputies said they also found a .22 caliber Sturm Ruger pistol with a four inch barrel in Thoma's home. Ballistics tests revealed it was the pistol used by the sniper, they said.

The suspect's wife, Elvira, 34, first told deputies she knew nothing of the car, but later admitted it was hers, they said.

Thoma was accused of shooting three persons Wednesday night from the window of his automobile.

One of the victims, Leroy E. Gregory, 44, remained in fair condition after he was shot in the stomach while walking along the street.

The sniper's other victims were Mrs. Lorena Dameron, 48, of nearby Compton, and Douglas Morgeson, 27, a truck driver for the Los Angeles Times.

Mrs. Dameron was shot as she rode in a car on the San Diego Freeway and Morgeson was hit in the face while driving on the Harbor Freeway.

Neither was seriously injured.

Dock Walkout Ends In Saigon

SAIGON UPI — Striking dockworkers at the port of Saigon today reached an agreement with American military authorities to end a five-day-old walkout that had threatened the nation's fragile economy.

The dockworkers promised to return to their jobs tonight and to sign a formal agreement at the Vietnamese Labor Ministry Saturday morning.

About 5,000 Vietnamese longshoremen struck Monday to protest the U.S. Army's dismissal of temporary stevedores at the \$50 million military port recently constructed around the bend of the Saigon River from the main Saigon port.

Settlement came after a general strike called in Saigon today in support of the workers failed to come off. Some electrical workers and bus drivers walked off their jobs but the Vietnamese army stepped in to prevent any serious disruption of public services.

According to the agreement reached at a bargaining session today, cargo at the new port will be handled exclusively by U.S. Army stevedores. The Army insisted on this point for security reasons and to keep the flow of vital war supplies free from the threat of strikes.

At the same time, the Army agreed to the immediate employment at the main port of 288 of the dismissed workers and promised to make jobs available as soon as possible for the remainder of the 600 who had been working at the military port.

"Everything is over. They're going back to work," said William Moyers of Petersburg, W. Va., director of civilian personnel for the U.S. Army.

The walkout tied up thousands of tons of valuable civilian cargo at the Saigon port, although military stevedores kept vital war supplies flowing almost normally.

State Weather Will Be Milder

State's Traffic Dead Now 1,553

By United Press International

The death Thursday of a Plymouth businessman boosted Indiana's record 1966 traffic fatality toll to at least 1,553, compared with 1,516 for all of last year.

Hugh Keiser, 79, was killed in a two-car collision east of Plymouth on U. S. 30.

Robert Pugh, 19, Highland, was also killed Thursday in a two-car collision on U. S. 41 in Schererville. Police said his car careened across the centerline of the 4-lane highway and collided with an oncoming auto.

Stewart D. Lykens, 37, Hartford City, died in Blackford County Hospital Thursday night, a few hours after his car crashed along Indiana 3 in Hartford City.

Robert J. Fick, 21, Chicago, was killed on the Tri-State Expressway near Gary Thursday when his car skidded out of control and crashed into a cement post.
